

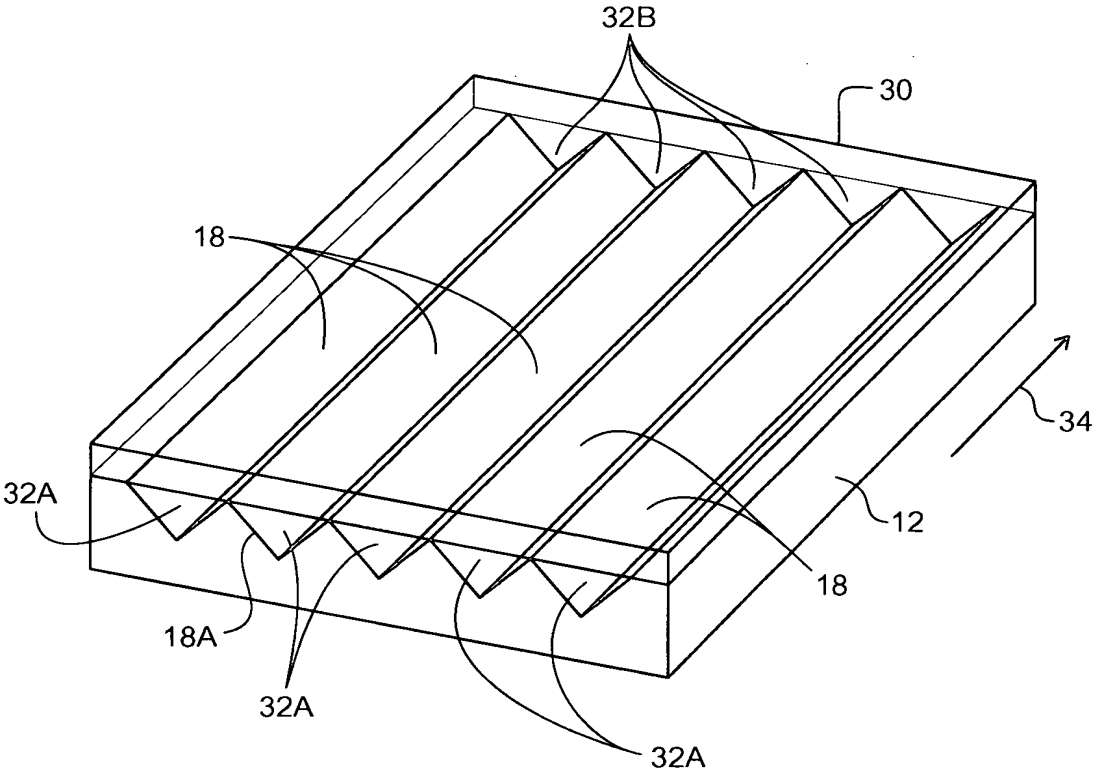

FIG. 16 is a cross-sectional view of a lens 16A. The lens 16A is a circular structure filled with a cross-hatched pattern, representing a grid of microlenses. A label 26 points to one of the microlenses.

A cross-sectional view of a substrate 12. A layer 18 is formed on the top surface of the substrate 12. The layer 18 has a zigzag or sawtooth profile. A label 30 points to the top surface of the layer 18. A label 18A points to the bottom surface of the layer 18, which is in contact with the substrate 12.
